The 8th Annual Wabash River Fest brings entertainment, food, crafts and insight into all things Wabash to the central Wabash River area. This celebration of Indiana's historic Wabash River will take place along the Wabash River at Tapawingo Park in West Lafayette from 9:00 am to 5:00 pm with no gate or admission charge! The 'Day of the Longboat' returns this year with traditional river races between teams of nine paddlers in 'voyageur' style canoes. Harkening back to the trading heydays of the area, these canoes will hold teams pitted against each other and the clock for coveted bragging rights on the Wabash. A few scenes from past events will set the stage for this new chapter in West Lafayette history:
